Village Forum Remodel – Red Tail Grill Terrace

DRAFT

CONCEPT

Expansion of the Red Tail Grill terrace will accommodate increased exterior bar, dining and lounge seating. The space will include a large, 2-way hearth facing the entrance to the Grand Summit Lodge, several fire tables at the perimeter and an elevated bar/drink rail oriented to the view up the mountain. The streetscape includes plantings and the ability for gathering on both sides, with a 4-step transition down to the activity lawn beyond.
